

Kids of all ages love to pick the perfect pumpkin from the patch of gourds in all shapes and sizes. And there are plenty of patches and fall festivals where a bounty of pumpkins can be found. Every year, the patches add more fun activities. Like at Pumpkin Town, where they are celebrating their 16th season. Last season, more than 30,000 people visited this patch alone, according to Pumpkin Town's Bridget Basse. This year, they will be celebrating Woody Guthrie and the 75th anniversary of his song "This Land is Your Land" with a special tribute in their corn maze. They also have a food trailer and a bigger train that the entire family can ride together.
