

The latest report on the 100 largest landowners in the country is out from

The Land Report magazine. The Drummond family ranked 23rd on the list with 433,000

acres. The family includes Ladd Drummond, husband of Ree who is known to the

world as the Pioneer Woman. The report says Drummond Land & Cattle Co. helped

write ranching history in Oklahoma. Frederick Drummond (1864â€“1913) came from Scotland and married Kansas

native Addie Gentner. Together their three sons became successful cattle ranchers in Oklahoma and

Kansas. Here is the top 25 list. See the whole list. 1. John Malone
